131st One-Day Seminar on the Theme of Pool and Spa Hydraulics, Pipework and Flow

**The Classification of Swimming Pools
Flow Fittings and Fitting Velocities**

**“How do you make a swimming pool
more versatile? By installing a
movable pool floor!”**

(A Commercial, Sponsored Presentation)

**Pumps – How to decide on the correct
pump for the application
(servicing & maintenance issues)**

**Pipe Sizing, Flow Dynamics
and Head Losses**

Open Forum

Tuesday 26th March 2024

at

**The Comet Hotel,
St. Albans Road West, Hatfield,
Herts. AL10 9RH**

PROGRAMME

(All times are approximate.)

10.00 a.m. **Coffee on Arrival**

10.30 a.m. **Welcome**

ISPE President - Jimmy Lamb, FISPE

10.35 a.m. **The Classification of Swimming Pools**

Jimmy Lamb, FISPE - Dryden Aqua

This session will compare different types of pools, including commercial, domestic and spas and look at the standards that apply to them.

11.15 a.m. **Flow Fittings and Fitting Velocities**

Steve Nelson MBA, TnISPE(Cert.) - Certikin International Ltd.

Steve will look at different fittings including skimmers, inlets, main drains, and look at the difference between flows through fittings and flows through pipes.

11.55 a.m. **How do you make a swimming pool more versatile?
By installing a movable pool floor!**

(A Commercial Sponsored Presentation)

Clive Morton - Wrightfield Pools Ltd.

Installing a moving pool floor within a swimming pool offers several advantages, enhancing the overall functionality and versatility of the pool. One of the primary benefits is adaptability, as the pool floor can be adjusted to different depths, catering to various activities and user preferences. This feature is particularly valuable in spaces where the pool serves multiple purposes, such as recreational swimming, aqua therapy, water aerobics or within domestic settings.

12.35 p.m. **Questions from the floor**

12.45 p.m. *Pay bar/break*

1.00 p.m. *Two course buffet lunch followed by coffee*

2.00 p.m.

Pumps – How to decide on the correct pump for the application (servicing & maintenance issues)

Chris Carr, FISPE - C.C. Filtration Services and Will Dando, FISPE - Plastica Ltd.

Including sizing pumps, installation techniques, servicing tips and problems, in addition to manufacturing of pumps (limitations - what can and can't be done), variable speed pumps and what you need to consider before installing a variable speed pump.

2.45 p.m.

Pipe Sizing, Flow Dynamics and Head Losses

Jimmy Lamb, FISPE - Dryden Aqua

How to size the correct diameter pipe and pipework configuration for efficient, equal and economical flow.

3.30 p.m.

Open Forum

The speakers of the day will take questions from delegates.

4.15 p.m.

Close

Jimmy Lamb, FISPE

HOW TO BOOK

Places **must** be pre-booked and the closing date for bookings is **Wednesday 20th March**. No bookings can be accepted after this date. Please email ross@ispe.co.uk or telephone 01603 499959 to reserve your place(s). Please tell us the invoice address, the name(s) of the delegate(s) and any specific dietary requirements, e.g. GF, Vegan, Vegetarian, and/or any dietary allergies or intolerances.

We will email an invoice which must be paid before the event. No refunds will be given unless the event is cancelled by the venue or the ISPE.

The cost of each place is:

ISPE Members £70 - ISPE Students £50 - Non-ISPE Members £90

After the event, delegates may request an attendance/CPD certificate indicating 4 CPD points, which will be emailed.
