

ISPE Membership Application

Please complete ALL sections of this form in block capitals AND complete the CV overleaf.

Full Name:			
Address:			
Date of Birth:		Telephone:	
Email Address:			
Company Name:			
Company Address:			
Company Telephone:			

Please state where you wish Institute correspondence (invoices, magazines etc.) to be sent to:

Home address		Company address	
--------------	--	-----------------	--

Please use the reverse of this form for your c.v. or attach it to this application form before asking two members to propose and second your application.

Proposed by:		Seconded by:	
--------------	--	--------------	--

Completed application forms together with the c.v. (see over) should be scanned and emailed to luke@ispe.co.uk. We will email an invoice for the Entrance Fee of £25.00 and give details of our accepted payment methods.

If your application is successful, you will be advised of your allocated category and will be invoiced for your annual subscription, or that part due for the portion of the financial year remaining. The financial year commences on 1st July and ends the following 30th June.

I declare that the information given on this application form and the accompanying c.v. is accurate and hereby apply for membership of the Institute of Swimming Pool Engineers.			
Signed:		Date:	

Curriculum Vitae

Applications will be returned, unprocessed, if there is insufficient information given on the c.v. Please give full details of your employment and experience within the swimming pool industry (all sectors) or send separate documentation with this form.

Work History

Company Name (Most recent first)	Job Title and / or Position Held	Date Joined	Date Left

Work Experience

Please give details of your experience in the swimming pool industry, gained from the positions you have held. Please do not simply state, for example: "builder" or "service engineer" but do give a full description of your job title and the work you typically carry out. (Applicants seeking full membership of the ISPE are required to demonstrate, via this c.v. at least seven years' experience within the pool industry in a technical capacity and/or a reasonably responsible position. Associate members must show at least three years' experience.)

Education (Qualifications and courses attended - including approx. date, if none, state none)

Other Information (which you may like to give in support of your application)
